UPDATE:

**SPRING HOLIDAY : TORQUAY – THE ENGLISH RIVIERA
18-24 APRIL 2027**

BY COACH WITH ALFA HOLIDAYS

Over several years, these organised coach trips have given the group an opportunity to travel to places further afield without having to self-drive.

The coach tour with included excursions should appeal to both walkers and non-walkers. Some of the group will offer to lead walks and people may prefer to opt out of an excursion and go walking instead. We try to arrange walks directly from the hotel, sometimes using public transport or private hire mini-bus or taxi to reach the start point. Walks are on described routes as it's not practical to recce in advance.

More impressions and information about previous holidays can be found on the website in our [Blogs and Photos](#) pages.
